Cost single w/ workbook \$170

lab pack w/ 5 CDs and workbook \$425

CD only \$85 w/ workbook \$99

Contact www.digitalfrog.com or 519 766 1097

Neotek's Catlab and Froglab

“Every major system (Skeletal, Musculature, Nervous, Digestive, Circulatory, Reproductive, Respiratory and more) is presented in 80 brilliant dissections, each micro-surgically prepared.”

Contents lecture, tutorial, quiz modes **Grade Level** high school or college

Special Features three-dimensional capability requiring a base unit (video processor and power supply, 1 pair of liquid crystal glasses, user manual, installation guide)

Cost base unit \$295

CD-ROM \$85

Contact www.neotek.com or 412 521 1111

Drylab Plus Series – Crayfish, Earthworm, Pig, Frog, Perch, and Rat

Content dissection, schematics, video footage, lab practicals **Grade Level** middle and high school

Special Features “editability”– design tests or modify the program to specific needs, three-dimensional capability

Cost single \$125

5 pack \$249

10 pack \$449

3D series \$149 (also requires Neotek's base unit)

Contact www.tangentscientific.com or 800 363 2908

Biolab Series – Frog, Invertebrate, Fetal Pig

Content dissection, practicals, interactive “labs” **Grade Level** middle school

Special Features on-screen log allows tracking of work

Cost single \$49

5-user pack \$209

10-user pack \$369

30 CD-site license \$549

Contact www.pierian.com or 800 472 8578

DissectionWorks – Frog, Pig, Crayfish, Earthworm, Perch, Cat

Content dissection, schematics, movies, tests **Grade Level** middle and high school

Special Features printable files of tests, worksheets, and puzzles

Cost Delux (includes all species except cat)

single \$199.95

5 pack \$799.95

10 pack \$1399.95

One species (except cat)

single \$59.95

5 pack \$229.95

10 pack \$399.95

Cat

single \$79.95

5 pack \$319.95

10 pack \$559.95
