# DISSECTION IN THE 21<sup>ST</sup> CENTURY

## ESEC'S PROFESSIONAL DEVELOPMENT POINTS (PDP) COURSE

### *Learn:*

- *about* the latest technological advances in alternatives to traditional dissection
- *how to* successfully integrate alternatives into the classroom
- *about* gifts, grants, and budgeting for this new technology
- *how to* prepare students for MCAS and AP Biology tests with alternatives
- *about* innovative use of programs and supplements to enhance student learning

Experience an ACTUAL ALTERNATIVES LAB SETTING where you are both the student AND the teacher. You will use computer programs, dissection manuals, and a range of supplemental materials to successfully learn anatomical concepts. You will monitor your own performance with oral, written, and computer-based testing. And you will earn **10 PDP CREDITS!**

**333 Washington Street, Suite 850, Boston, MA 02108**
