Postdoc Funding Opportunity in Women's Health and Sex Differences

The American Fund for Alternatives to Animal Research (AFAAR) and the New England Anti-Vivisection Society (NEAVS) are offering a one-year, \$40,000 postdoctoral grant (with possible renewal) to a woman interested in developing, validating, or using alternatives to animal methods in the investigation of women's health or sex differences in research results. Funding begins in 2014. Applicants should send a cover letter explaining their interest in alternative research methods and career goals along with a CV, research proposal, and three letters of recommendation (including one from their mentor) by Dec. 15, 2013 to afaar@neavs.org. Award notification sent by Jan. 15, 2014.

For inquiries or to request our white paper, "Biological Sex Differences: Implications for Biomedical Research and Animal Use," contact:
